

Pass and Seymour
Trademaster® 15A 125V Tamper-Resistant 8-Hole/Push Wire Duplex Receptacle, White
Part No. 880TRW

Our Pass and Seymour TradeMaster receptacles combine a traditional look with reliable, time-tested operation for any residential application. This receptacle is also outfitted with our patented automatic shutter system to prevent young children from inserting common objects, such as hairpins or keys. The shutters release when a plug is inserted. Required by the National Electrical Code (NEC). For detailed Tamper-Resistant receptacle information, visit our Tamper-Resistant Receptacles page.
