Cablofil
**BendlockSKITBL**
Part No. 945492

Every data center requires numerous cable tray bends and drops—sometimes thousands in just one installation. With traditional cutting and bending, each drop can take over four hours to complete. With Cablobend Systems, you have the freedom to flexibly create the bends and drops that you need. No more cutting unless shortening the length.

## Features & Benefits

Cablobend Locking Clip Kit.

For exclusive use with Cablobend products.

Locks bend sections together to add rigidity to the fitting.

## Specifications

### General Info
