

The whisper-control modern dimmer switches from the adorne Collection allow you to control lights with a soft, fluid motion. Integral silver contacts provide long-lasting performance. A self-calibrating Tru-Universal Dimmer, this dimmer switch works with virtually any 120V dimmable bulb or fixture (excludes 0-10V).

This dimmer\* features enduring Microban® antimicrobial technology that works to reduce the growth of bacteria, around the clock, for the lifespan of the product.

\* Existing inventory of switches, dimmers and plastic wall plates from the adorne® Collection at some partner locations may not yet include Microban® protection. To confirm that a specific Legrand product is protected with Microban®, check that the exterior of the product packaging includes a green dot or a "Protected with Microban" label.

Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

No antimicrobial efficacy claims are being made or are valid with respect to products sold in Canada.

## Features & Benefits

Helps fight the growth of stain and odor-causing bacteria through the invisible and continuous product protection of Microban® antimicrobial technology

For complete installation, device must be paired with an adorne® screwless Wall Plate (not included). Available in a range of contemporary colors and stunning finishes.

Installs in 15 minutes or less, fitting into an existing electrical box; neutral wire required.

Control lights with a fluid, whisper-soft toggle motion to turn on/off, or use the smooth slider to dim or brighten to your preferred light level.

Works with virtually any 120V dimmable bulb or fixture (excludes 0-10V).

Self-calibrates when you select your fixture's lighting type, automatically setting the appropriate minimum voltage to eliminate flicker and poor performance.

Usable in both single-pole and 3-way applications.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

## Specifications

### General Info

Product Line	Pass & Seymour	Color	White
Country Of Origin	China	Features	Antimicrobial Protection
Switch Type	Whisper	Number of Switches	1

---

Warranty Type	Limited Lifetime Warranty
---------------	---------------------------

---

## Dimensions

---

Product Width US	1.77 in
------------------	---------

---

Product Depth US	1.2 in
------------------	--------

---

Product Height US	4.19 in
-------------------	---------

---

## Technical Information

---

Electrical Rating	120V 1100W (Halogen), 120V 1600VA (MLV), 120V 16A (Fluorescent), 120V 2000W (Incandescent), 120V 450W (CFL), 120V 450W (LED), 120V 5A (Fan Control), 120V 700W (ELV), 120V 8A (EFL)
-------------------	---

---

Number of Gangs	1
-----------------	---

---

Bulb Compatibility	CFL, Fluorescent, Halogen, HID, Incandescent, LED, Universal, Xenon
--------------------	---

---

Number of Poles	3-Way, Single Pole
-----------------	--------------------

---

Wattage	700 W
---------	-------

---

Mounting Type	Box
---------------	-----

---

Voltage	120.0 V
---------	---------

---

Connection Type	Internal Pressure Plates
