

Wiremold 20GB606TRUSB 6' Plugmold® Multioutlet System with USB Part No. BK20GB606TRUSB

The Wiremold 2000 Series raceway offers a selection of steel, aluminum, and nonmetallic raceways that provide a versatile solution for many applications. Plugmold sections offer single or alternating circuits, in standard or isolated ground receptacles. The ScuffCoat finish is scratch resistant and protects against nicks and chips while preventing color from fading.

Features & Benefits

USB charging. 2.4A USB type A receptacle charges faster than other USB receptacles and is compatible with USB 2.0 and 3.0 type devices.

Multiple colors and finishes. Painted finishes of black, gray, ivory, and white, as well as anodized aluminum and stainless steel versions integrate easily with any room decor.

This product meets the material restrictions of RoHS.

Specifications
