

This 28" enclosure is the perfect solution for a basic structured wiring system. It features larger top openings that make pulling wire easier as well as additional knockouts, more side lances, and side tabs for more flexible mounting.

## Features & Benefits

Includes five openings on the top of the enclosure with knockouts

Drywall depth indicators

Flush and surface installation

Mounting tabs provide correct flush-mount position for standard installations

Patented mounting system offers versatile module mounting options

Literature pouch included for dealer information

Includes self-adhesive cable identification table

Made in the USA

## Specifications
