

Ortronics 1-LC (2 fibers) fiber Keystone module, Beige adapter, Fog White Housing Part No. KSLC

1-LC (2 fibers) fiber Keystone module, multimode, phosphbronze alignment sleeves, 180 degree exit, Fog White

TechChoice keystone jacks and modules feature an easy-to-follow universal wiring label and support standard termination using a 110-impact tool. The keystone footprint allows for the greatest flexibility in installation scheduling because its rear insertion into the faceplate allows the technician to complete the termination before and during the construction process.

Features & Benefits

Rear Load: Easy Installation

No special tools required: Reduced

installation expense

Snap-in module: Simple, secure installation Modular design. Flexibility in structured cabling system design

Fully compatible with all TechChoice faceplates: Provides wide range of design possibilities
