

## Pass and Seymour Turnlok® Spec Grade Locking Devices, 30A Single Receptacle Part No. L630R

Features high-quality, brass contacts for rock-solid electrical connections and long service life. Single-piece, solid brass or steel straps and impact-resistant nylon face and body help it shrug off hard use.

## Features & Benefits

Compact, impact-resistant nylon face and body are ultrasonically welded together for unrivaled strength.

One piece, high-grade brass contacts offer excellent conductivity and heat-rise resistance.

Single-piece, solid brass mounting strap is free of easily loosened rivets found on other brands.

140596

Accepts #14 - #10 AWG.

Face color coding by voltage facilitates locating and mating of proper devices.

Clearly marked NEMA configuration, rating, and third-party listing on each unit's face.

Yes

Side and external screw-pressure-plate back wire capability.
