

Cablofil
LD-4A-90HB12-12 AL 4H 90° HORZ ELBOW 12R (TRA)
Part No. P302460

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding. Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

Features & Benefits

Includes splices and hardware

Specifications

General Info

| | | | |
|--------------------|-----------------------|-------------------|---------------|
| Product Line | Cablofil | Finish | AL |
| UPC Number | 800388083257 | Country Of Origin | Mexico |
| Application Sector | Commercial/Industrial | Standard | UL Classified |
| Type | Cable Tray | | |

Dimensions

| | | | |
|-------------------|-------------|-------------------|----------|
| Product Width US | 27.0 in | Product Weight US | 5.974 lb |
| Product Volume US | 1.789 cu ft | Product Depth US | 27.0 in |
| Product Height US | 4.241 in | | |
