

Wiremold 2000 Series Raceway Base and Cover, Ivory Part No. V2000BC

The Wiremold 2000 Series raceway offers a selection of steel, aluminum, and nonmetallic raceways that provide a versatile solution for many applications. Plugmold sections offer single or alternating circuits, in standard or isolated ground receptacles. The ScuffCoat finish is scratch resistant and protects against nicks and chips while preventing color from fading.

Features & Benefits

This product meets the material restrictions of RoHS
