

## Wiremold

Charging Station with Accent Light, 3-Gang, (1) 4-Port USB-A Outlet and (2) Duplex GFCIs with Dual USB-C - Silver

Part No. XCSAL3GR1R1U-SV

Outdoor charging station with an LED accent light to enable device charging during the day and after dark. Accent light ensures the station stands out from standard bollards and clearly indicates charging. Station includes one 4-Port USB-A outlet and two duplex 20A, weather-resistant GFCI Receptacles with USB-C.

## Features & Benefits

Charging & Illumination: Combine power with area lighting in one pedestal to maximize functionality of outdoor spaces.

Durable, Premium Finishes: Available in three outdoor-rated finishes to complement your space design. Choose from black, bronze or silver.

Device Shelves: Add up to two pairs of shelves to hold mobile devices while charging (purchased separately)

Multiple Configurations: Available in several preconfigured options with various installed devices to meet exact charging needs.

Outdoor-Rated Construction: Rugged aluminum form designed for durability in all weather conditions. UL listed to NEMA 3R requirements to ensure optimal performance.

A/V & Communication Compatible: Add an A/V-Communication Kit to 3-gang versions to accommodate Wiremold AVIP plates as well as decorator A/V or communication devices. Enables pedestal to support outdoor presentation areas and classrooms, eliminating the need to bring cables from inside a building.

Door Options: Interior illuminates when door is open. Replace standard color-matched door with transparent version to make devices inside more visible. Or, choose lockable door for added security or to ensure use is limited to facility personnel.
